Join us for socializing, refreshments, and a chance to learn about the Trestle Promenade Now Campaign. We have some exciting announcements!

Learn about the growing momentum behind efforts to transform our historic riverfront trestle into a vibrant community asset.

Event is from 5-6:30 PM. Remarks by Mayor Kevin McDonnell and Elece Hempel at 5:45 PM.

Kindly let us know by August 17th if you'll be joining us at the Party for the Promenade — it helps us make sure there's plenty of refreshments for our guests

Thanks to Timo Rivetti Real Estate NavigateRE for hosting this event at their lovely space at Theater Square. Free parking in the C Street garage.

We need to raise \$50,000 to fund a public engagement process that will turn a vision into a buildable plan that the community can support and rally behind.

We're over half way there! Please help us reach this goal for our community.
